PARTNERS E- MEETING

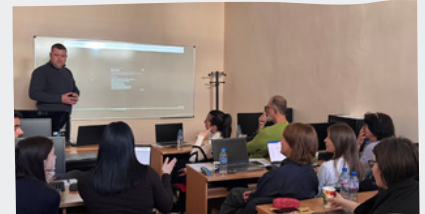

On May 22, the partners met online to evaluate current deliverables, map out timelines for the next phase of the project and discuss future steps. The consortium successfully synchronized its action items to ensure the smooth rollout of upcoming training materials and localized pilot programs.

TRAIN THE TRAINERS WORKSHOP IN PLOVDIV BULGARIA

The FarmForward Project partners gathered in Plovdiv on 9–11 March for the Train the Trainers workshop, diving into fresh ideas for sustainable agriculture, digital skills, and hands-on learning.

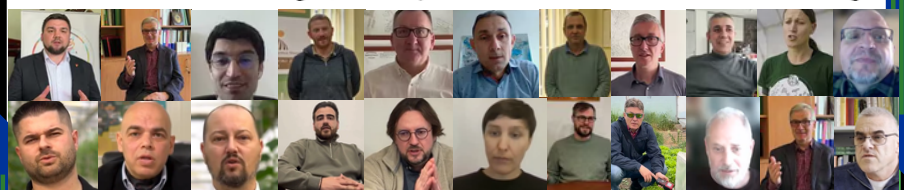

The event brought together educators, field advisors, and practitioners from across Europe. Three days of sharing knowledge, exploring good practices, and building stronger VET pathways for a greener future.

THE "EXPERT INSIGHTS SERIES" ON OUR YOUTUBE CHANNEL!

We are thrilled to announce the official rollout of our Expert Insights Series on YouTube! As part of our mission to bridge the gap between climate-smart theory and everyday agricultural practice, this multimedia campaign brings real-world success directly to your screen. The project consortium is producing a high-quality collection of 30 expert videos and 6 thematic webinars featuring pioneering innovators, field practitioners, and leaders from across Europe.
